Apple, Inc  
Cupertino, California

Dear. Apple Recruiter,

I, Chanvit Moungyoo, am writing to apply for an internship in the Software Engineering Internship position at Apple from January to May 2022. As requested, I have enclosed my completed résumé and certifications.

The opportunity presented in this listing is quite fascinating. I fully believe that my technical experience and education will make me a potential competitive candidate for this position. I strive for continued excellence and also have a high level of responsibility and patience. I provide exceptional contributions to customer service for all clients.

As my enclosed résumé, I have been studying for a Bachelor degree in Computer Engineering. I have a complete understanding of web-based and application-based design and achieved various projects during university. I also have experience in learning and excelling at technologies as needed.

The paramount experience that has influenced my decision to participate in Apple is that I have been a dedicated customer of Apple since 2007. I am hardworking, a quick learner, very friendly, ethical and loyal, flexible and a team player to make Apple complete the intention. I desire that my abilities and experiences will provide you pride and joy with my potential support for Apple. Please feel free to contact me at [chanvit.moungyoo@icloud.com](mailto:chanvit.moungyoo@icloud.com) at any time.

Thank you indeed for your consideration. I look forward to working with you.

Chanvit Moungyoo

Sincerely,  
**Chanvit Moungyoo**
